- Mrs. May spent the weekend in Catalina at CIMI with 6th graders and the new football coach was a chaperone. She feels he will be a great asset to the school.
- Brandi McClaren would like clarification on grading percentages for next year as well as re-assess/ment procedures. Mrs. Wagener stated the 80/20 will stay for next school year and the district has re-assessment at 70% for mastery, but could be

different for each teacher at BCHS. It is all about the students learning to advocate for themselves.
