Mrs. Wagner shared information about school closing:

- The governor shut down schools for the remainder of the school year.

- Third quarter gradebooks were reopened and will now be fourth quarter grades. Students have the opportunity to improve their third quarter grades. There will be no semester exams.
- Fifty Chromebooks were deployed to students to use for distance learning.
- Ms Wagner met with Student Council seniors to discuss graduation. They had two requests: first to be able to graduate together, and second to have their graduation on the football field. All plans need to be approved by the district.
- A document was provided to principals outlining the procedures for getting teachers and students back into the building to collect their personal items. We will have to wait for the governor's go ahead before we begin.
